The updated setup style and reduced seating capacities have been adjusted to adhere the new safe social distancing measures in all meeting/function rooms and event spaces including Food & Beverage outlets with seating arrangements spaced of at least 1 metre apart.

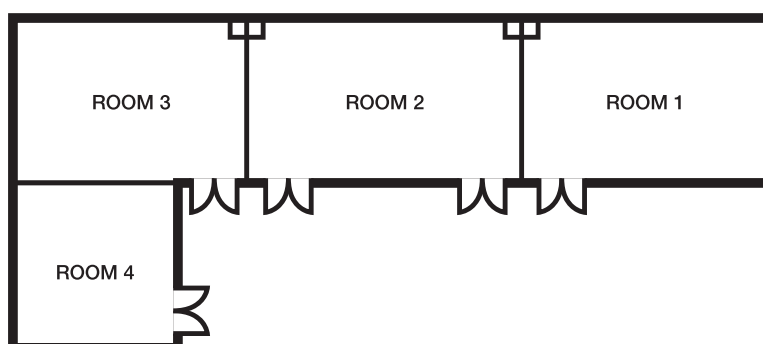

This is part of the additional precautionary measures in adhering to the strict preventive health & safety guidelines from the Ministry of Health (MOH) Malaysia & World Health Organization (WHO) to prevent the spread of the current coronavirus disease (COVID-19) pandemic.

These safe distancing measures supplement the sanitation and hygiene practices which include access to hand sanitisers and frequently disinfecting common public spaces.
